

Dear Parent/Guardian,

We are delighted to inform you that we are now officially a Doddle Learn Partner school, giving us access to fantastic learning resources to help boost pupil attainment.

What does this mean for you and your child?

- 1) Doddle Partner schools have access to thousands of engaging teaching resources to supplement lesson plans, saving teachers' time so they can focus on pupils' progress whilst enhancing the learning experience for students.
- 2) All parents and students have access to a Careers and Employability Handbook, which helps the school meet the Gatsby Good Careers Guidelines and to comply with government regulations. We encourage you to access the handbook via the following link:

- 3) Your child's teachers will help influence the development of Doddle Learn's future content, keeping it fresh and up to date.
- 4) All parents are now entitled to receive a 10% discount on the Doddle Academy platform, designed to help supplement in-class teaching by providing additional learning, quizzes, worksheets and revision material for your child to attempt at home. It's the perfect resource to help with catch-up learning.

As a Doddle Learn Partner school, Doddle Learn is offering this resource to you at a reduced price of £36 per year (£3 per month). To take advantage of the discount and find out more, please visit their website:
