

8th September 2021

Dear Parents / Guardians

Year 11 Progress Evening ~ Wednesday 22nd September ~ 15.45pm – 18.45pm

Following positive feedback from both parents/guardians and staff supporting our remote parents' evening system, we are delighted to say that we will be sticking with this system this year, following the lifting of Covid restrictions.

A polite reminder that our **Year 11 Progress Evening** will take place on **Wednesday 22nd September**, with appointments taking place over a live video link from our Parents' Evening System. Appointments will commence between 15:45pm and close at 18:45pm.

This Parents' Evening is a **vital** check-in with your child/children's GCSE teachers regarding the progress they are making in each of their GCSE /BTEC subjects.

I am pleased to inform you that the booking system has gone 'live' today (Wednesday 8th September 2021).

Please do log in and book your virtual appointments with your child/children's GCSE subject teacher using the links below. **Please note the deadline to book your appointments is 13.00pm on Wednesday 22nd September.**

How do I book my Parents' Evening appointments?
