

WEEKLY BULLETIN

FRIDAY 10TH SEPTEMBER 2021

Dear Parents/Guardians,

Welcome once again to our weekly update.

It has been fantastic to be able to host our first face to face 'Welcome back' events this week in school. Thank you ever so much to those of you who attended and provided some very useful feedback. We are really pleased with the resounding positivity about our 'Behaviour launch'.

As we discussed during the information sessions this week, the most important step for us now is to ensure that we maintain the great start to the academic year, work on any inconsistencies and support individuals who need a little more time to adjust. We have spent time listening carefully to you as parents/guardians and we thank you very much for your continued feedback. It is phenomenal to walk around school and be greeted by such friendly and positive students. If you were not able to attend the evening this week, please ensure you take a look at the presentations, now available on the school website [here](#), and sent home via email earlier today.

A reminder that I will be available every Tuesday morning weekly, at 9am, in the restaurant for a coffee and chat, no booking required. Please do come along. It is important that we continue to reconnect and listen to you.

In the meantime, have a lovely weekend.
