

23rd September 2021

Dear Parents/Guardians of Years 10 and 11,

GCSE Pod - Key Stage 4 studies

To support our students in their Key Stage 4 studies, we have invested in GCSEPod, the award-winning digital content and revision provider used by over 1,700 schools worldwide.

Your child has access to GCSEPod's library of over 6,500 'Pods', 3-5 minute videos designed to deliver knowledge in short bursts. GCSEPod makes learning and revision much more manageable: every Pod is mapped to an exam board, and contains all the right facts, quotes, keywords, dates and annotated diagrams that your child needs for GCSE success – all neatly organised into topics and exam playlists.

One of the best things about GCSEPod is that it is so easy to access! You can download any Pod to your child's mobile device, and then they can watch them at any time, in any place, with or without internet. It's like they are carrying a whole set of textbooks in their pocket. Make sure you download the GCSEPod app from the App Store (Apple and Android are supported) to access this feature.

As well as Pods, GCSEPod also has a host of Student Learning Activities which are designed to help students commit content to their long-term memory. Alongside this is the award-winning 'Check and Challenge' tool which provides quizzes for your child to test their knowledge and to track their progress throughout the academic year. 'Check and Challenge' provides scaffolded support through hints, multiple choice options and feedback statements which helps to consolidate learning and build students' confidence.

We recommend that you talk about GCSEPod with your son or daughter – check that they have successfully activated their account and encourage them to make use of this amazing resource throughout their GCSE's. Once they have activated their account, they can browse the GCSEPod library and create their own playlists – just as they would when they are listening to music.

For more ways to support your child using GCSEPod, please visit www.gcsepod.com/parents where you will find lots more information, a specially created 'Parent Toolkit' with information on making the most of your child's subscription and links to their fantastic upcoming parent/guardian webinars:

Please see overleaf on how to access GCSE Pod.....

How to access GCSE Pod?

Your child has already been registered with GCSEPod, so all they need to do is activate their account by following the instructions below. If your child has already activated their account but cannot remember their username and password, please ask them to speak to their Tutor.

- 1) Go to www.gcsepod.com and click “**Login**” in the top right-hand corner
- 2) Click “**New to GCSEPod? Get started.**”
- 3) Select “**Student**”
- 4) Enter your child’s **name, date of birth and the school name.**
- 5) Create a **username, password, and a password hint** to help them remember the password.

If you have any questions regarding GCSEPod, please do not hesitate to contact me via the email address provided below.

Yours sincerely,

Mrs Anna Butler
Trust Director of Outcomes
