Dear Parents / Guardians,

Year 9 Trip to Nottingham Ice Arena and the Broadway Cinema ~ Thursday 16th December 2021

We are delighted to announce that the Year 9 tutor team will be running a trip to the Nottingham Ice Arena and Broadway Cinema on **Thursday 16th December 2021**.

The visit will be a celebration of student's behaviour and attitude to learning throughout their first term of school. In the morning, students will be watching a Christmas film at the cinema before ice skating at the Nottingham Ice Arena in the afternoon. The ice rink and cinema will be hired out exclusively for John Ferneley College.

The trip will leave at 08.45am and we will be returning after the end of the college day at approximately 16.00pm.

Students will need to bring a packed lunch, although students may buy food at both the cinema and the ice rink. Those students who are in receipt of Free School Meals will be provided with a packed lunch. We will be travelling to and from Nottingham by coach. Students may choose to bring spending money, which is their responsibility to look after.

The cost of the trip is **£25**. To secure your child's place, this will need to be paid by **Friday 3rd December 2021 (3pm)** via School Gateway.

The maximum number of students that we can accommodate on the trip is 150. If the trip is oversubscribed, we will be running a ballot to choose the students that will be attending the trip. If your child is not chosen you will receive a full refund.

We will take all medical information from our current records, so please contact Mrs Battison (hbattison@johnferneley.org) if your child's medical records need to be updated. Further, please ensure you tick the "consent" box on School Gateway when making the payment.

Please note that the cost of this trip is non-refundable, unless the trip is oversubscribed.

We very much hope that your child will be able to take part in this fantastic experience. If you have any questions, please do not hesitate to contact us.

Yours sincerely,

Miss Keightley and Mrs Neep
