

# WEEKLY BULLETIN

FRIDAY 10TH DECEMBER 2021

Dear Parents/Guardians,

It has been such a fantastic week in school! A few weeks ago we made the decision to rearrange some of our key spaces in school to make room for a new **Student Support Base**, and this week the move has taken place. After Christmas, students will be able to access support for well-being, Alternative Provision and work with outside agencies in a new base which is centrally located in school. I will be sharing photos and information with parents and students very soon.

In other news, we have absolutely embraced Christmas this week with the **Staff and Student Advent Raffle** which is now in full swing and taking place until the last day of term, we have Christmas decorations everywhere, and our **Christmas Lunch** and **Christmas Jumper Day** took place today.

Thank you to Miss Oliver, and her super student support team, who have helped to gather a huge amount of supplies for both Age UK and Storehouse. Today, Miss Oliver delivered an amazing **103 boxes** to Storehouse! We are so proud, as a school, to be able to support our local community. Thank you to everyone who made a contribution, we couldn't have done it without you!

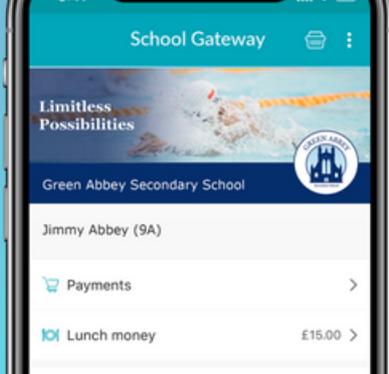

This week, it has been the turn of the English Department to welcome us for the Subject Review. Student feedback has been fantastic and it makes me very proud to hear students speak so positively about their English lessons. Please do take a look at our '**Spotlight on a Subject**' resources which have been shared on social media and in this week's bulletin.

Early next week we will be sending out consent forms and information about our plans post-Christmas when we have been asked, once again, to test all students before they return to school following the Christmas break. This will also include information about when students are due to return, so please keep a look out for this.

Next week we are running lots of trips which have been hugely popular, we are sorry that we haven't been able to take every student! These events have shown us just how important enrichment opportunities are to our students, so please be assured that there will be plenty more opportunities in the New Year. In the meantime, next week we shall continue to embrace the Christmas cheer with lots of lovely activities in school for our students.

Best wishes,  
**Natalie Teece**  
**Head of School**
