### 1. This policy applies to:

John Ferneley College

Where this policy states 'school' this means John Ferneley College.

Mowbray Education Trust (MET).

### 2. Aims

School uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone. A uniform supports positive behaviour and discipline; ensures students of all races and backgrounds feel welcome; protects children from social pressures to dress in a particular way; nurtures cohesion and promotes good relations between different groups of students.

John Ferneley School uniform:

- Promotes a sense of pride in the school
- Establishes a sense of community and belonging towards the school
- Is practical and smart
- Promotes equality

We believe that wearing the school uniform smartly helps to prepare our young people to be successful as adults: teaching them that dressing smartly can affect people's impressions of us, can create a sense of belonging and increase our self-esteem.

We appreciate parents/guardians supporting this policy to ensure all students are dressed appropriately for school. Please note regular uniform checks will take place.

Students who are currently entitled to Pupil Premium will be contacted separately to discuss the support we have available to them.

### 3. Relevant legislation and guidance

This policy meets the requirements of the Cost of School uniform guidance from the Department for Education (DfE) derived from the The Education (Guidance about Costs of School Uniforms) Act 2021, These documents are drawn from the following legislation, Equalities Act 2010.
