Fixtures Participation ~ Parental Consent Form (2022 - 2023)

Dear Parents / Guardians,

For the 2022-2023 academic year, your child may be selected to play in a number of sports fixtures off-site. In order for your child/ren to participate, we require you to complete the necessary consent form, including up to date medical information before they can take part.

To do this, you must complete an **online parental consent form**. We would be grateful if you could complete this online form linked below, as soon as possible. It is important to note that **students cannot attend any off-site sporting fixture without a completed consent form**. Please note that this consent form only needs to be completed once per child for all fixtures within the academic year. If you have more than one child at the school, please complete separate forms for each child.

Please find a link to the parental consent form, here > [Sports Fixtures – Parental Consent Form](#)

The parental consent form can also be found under 'Useful Links' on the School Gateway app, or alternatively, the link can be found on our school website, here > www.johnferneley.org > **School Information > Extra-curricular Programme > Sports Fixtures – Parental Consent Form.**

Fixture communication from the PE team

If your child is selected to participate in a sports fixture, they will be given a fixture sheet by a member of the PE team and you will be contacted via email with all the necessary fixture details, including location of the fixture and transport information. If the details for the fixture should change, or if the fixture is cancelled, your child will be notified, and a text will be sent to you.

We very much appreciate and value the support parents/guardians give us with fixtures.

If you have any further questions, please do not hesitate to get in touch using the email addresses below.

Yours sincerely,

Annabel Simpson

Head of PE
