4th November 2022

Dear Parents/Guardians,

Year 10 Food Technology Trip to London Markets ~ Tuesday 6th December 2022

On **Tuesday 6th December 2022** the Food Technology department will be running a trip for Year 10 Food Technology students to attend the London Markets, visiting Borough Market and Seven Dials Market (food court).

The aim of the trip is to provide students with first-hand experience of the subject matter in the curriculum that would not otherwise be possible within the classroom environment. Students attending this trip will be learning about food sources, environmental and ethical issues, exploring ingredients from different culinary traditions to inspire new ideas in the classroom, and looking at the effect of cooking on taste and texture.

The cost of the trip will be **£35.00 per student**, which includes travel to and from central London. Students may wish to bring some cash with them on the day to purchase food / snacks from the markets.

If your child would like to attend this trip, **please complete the two steps** listed below:

STEP 1: ONLINE PAYMENT: To confirm your child's attendance on this trip, full payment for the trip must be made online via the School Gateway payment feature, called 'Food Tech trip to London Markets', no later than **Wednesday 30th November 2022.**

STEP 2: ONLINE CONSENT FORM: Once payment has been made, please can you then ensure the online consent form linked below is complete. **Please bear in mind that your child will not be able to attend the trip without this consent form complete.**

- **CONSENT FORM** <https://forms.office.com/r/6UfrUneTtX>

We will **leave** school at approximately **7.45am** and are aiming to **return** to school for **8.30pm** (traffic dependent), travelling by coach. Please ensure your child is dropped off at school for 7.30am to be registered.

If you have any further questions about the trip, please email **Mrs Battisson (Curriculum Administrator)** at hbattisson@johnferneley.org.

Yours sincerely,

Mrs E Wright
Teacher of Food Technology
