10th November 2022

Dear Parents/Guardians,

We are writing to make you aware of a consultation that is running for the proposed extension of the existing building and the increase in Pupil Admission Numbers concurrently.

Over the last couple of years, the demand for secondary school places in the local area has increased. As a school, we have worked hard with the local authority to ensure that places are available to match existing demand. As such we have worked to remodel areas of the school in an effort to create appropriate and comfortable learning spaces.

However, it has now become apparent that in order to match increasing demands in the future, additional space will be required.

We would like to make sure that the entire school community has had an opportunity to understand and ask questions about what this change will mean for our school, therefore, you can find further information and a feedback form on our school website, here > [Proposed Extension Consultation](#)

We would be grateful if you could submit any comments to us **by Tuesday 6th December 2022**.

Drop-in Event at John Ferneley College

We are hosting a public drop-in event on **Tuesday 22nd November, at 5.00pm**, in the **John Ferneley College Auditorium**. This event is an ideal opportunity for you to meet with representatives of the MET to discuss the proposal and ask any questions you might have.

We would like to thank you for your continued support of John Ferneley College. We believe that we have a truly wonderful school here and we are committed to ensuring we provide the very best for our students and their families.

In the meantime, if you have any questions, please do not hesitate to get in touch.

Kind Regards,

Mrs Teece
Head of School
