1<sup>st</sup> December 2022

Dear Parents / Guardians,

Next week, in assembly on Monday (5<sup>th</sup> December) and then in tutor time each morning, the Year 11 team will be working with Year 11 students focusing on how to produce a detailed, honest and realistic revision plan in preparation for their second round of mock exams in February (and for some, their external vocational exams in January).

It is vital that students attend these sessions, therefore, please can I ask for your support in ensuring your child arrives to school on time.

You should have received a 'Mock Update' information letter in the post, along with your child's tracking; however, an electronic copy can be found here > [Year 11 Mock Information Letter](#).

Finally, you will shortly be receiving an invite to attend a workshop on the 'parent version' of how to produce a revision timetable. Please do sign up if you would like to come in to receive that guidance. There will be a few evenings and slots available to hopefully suit everyone who would like to attend.

As always, if you have any questions, please do not hesitate to get in touch. Thank you for your continued support.

Yours sincerely,

**Mr King**  
**Assistant Headteacher (KS4 Progress)**
