15th December 2022

Dear Parents / Guardians,

In light of the recent news and the freezing conditions, we wish to remind everybody of the dangers of walking on or playing near to frozen water.

We will be reiterating to our students the dangers of playing near or on these lakes. We would be extremely grateful if you could also relay the dangers of this to your children at home.

If you see anyone doing this, it is extremely important that you ring 999 immediately and do not go on the ice, even to rescue others.

Be aware that animals also go on the ice, and you should not risk your own safety to rescue them.

Thank you in advance for your support regarding this matter.

Yours sincerely,

Mrs Teece
Head of School
