Dear Parents / Guardians,

Tonight, as I am writing this, is Red Nose Day Eve and I have spied a number of mysterious cake shaped arrivals to the site.... Giving rise to my suspicion that tomorrow is going to be an awesome day!

It's a day that the JFC community always does so well – fundraising to support our most vulnerable. It brings out the best in all of us and makes me so proud of our community.

In other news, the discussion that started at our Parent Forum continues - we are exploring the relationship between well-being and achievement in learning.

Over the next few weeks, we will begin planning some exciting opportunities to meet together to discuss this important issue - which has emerged as an effect of the Covid-19 pandemic.

In the meantime, have a lovely weekend when it gets here and thank you for your on-going support.

Mrs Stansfield
Executive Headteacher – John Ferneley College
CEO - Mowbray Education Trust

THE BIG RACE

LUCY D DOMINATES COMPETITION AND
BRITISH WEATHER ALIKE

Pictured above: John Ferneley College student, Lucy D (wearing black) running in the race

On Saturday 11th March, Lucy D of John Ferneley College ran in the Inter Counties National Cross Country Final.

The snow from the day before had left the field in a terrible condition and, before long, the contestants and onlookers found themselves caked in mud.

Nevertheless, Lucy forged on, determined to try her hardest. Reportedly, she loved every minute of the race and she certainly did herself proud in a very strong and competitive field (no pun intended).

She came 119th out of a significant 300 under-15s!

Well done Lucy! And well done to Ruby W, a fellow John Ferneley College student who, sources tell me, also took part in the race last Saturday.

All in all, it was a proud day for our school.
