# WEEKLY BULLETIN

John Ferneley College

17th November 2023 | Issue 49

Some of our staff fundraising for Children in Need today!

Dear Parents / Carers,

I hope you all got to see the JFC Remembrance event on our social media page last Friday.

The film was amazing but didn't capture the experience of being there.

The whole school community stood together to remember those who have sacrificed their lives so that we might live in peace.

When the whistle blew to mark the beginning of the silence, the quiet murmur of excitement dropped to nothing within a second - it was spine tingling.

#### What's In This Week's Issue:

And so to this Friday, which will be unified too.... but around rather a different objective: for Children In Need, Mr. Kruse has generously agreed to wear a full Leicester City Football Kit from breaktime, if the fundraising exceeds  $\pounds$ 1,000. (He is a Nottingham Forest supporter)

What on earth could go wrong !?!?

# **CROSS COUNTRY**

Good luck to all the runners representing JFC at Mallory Park tomorrow, in what promises to be wet 'proper cross country' conditions!

Mrs Battisson will meet you all at the 'F' for Ferneley.

Full results and report next week!

% sessions missed due to absence in Year 10 and 11 (number of pupils)

There is a clear link between attendance and progress at GCSE. A pupil that is at school 90% or more will get expected or better GCSE results. A pupil who is at school less than 90% will not achieve expected results and even at 75% attendance will drop ONE GRADE per subject (on average).

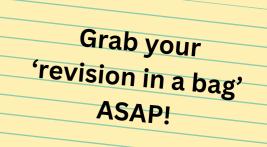

# Time!

Exams are fast-approaching and we want our students to be as prepared as they possibly can be.

We will be selling some revision resources to help students access everything they need leading up to exams.

# MFL Stars of the week

Mrs Newbold's stars of the week are Lewis M (Y9) and Oliver E (Y8)

Mr Smith's stars of the week are Scarlett W (Y7) and Chloe S (Y10)

### YEAR 11 BOYS' BASKETBALL

#### John Ferneley 26-14 Long Field

Our Year 11 boys played their first match of the term last week, facing a tough opponent in Long Field. Fortunately, the team pulled off a great performance to win the game. The team played some good basketball and showed a great team spirit. Billy P showed his basketball knowledge by leading the team, Kobey B was brilliant in defense and covered a lot of the court, and Dylan P was a calm presence in attack scoring some great points.

Team: CHARLIE H, BILLY P, OLIVER G, FREDDIE H, DYLAN J, DYLAN P, DANIEL S, ALLWELL O, KOBEY B

#### YEAR 8 BOYS' FOOTBALL

## Brockington College 3-2 John Ferneley College

The Year 8 boys suffered a narrow defeat in a thrilling game at Brockington; both teams performed admirably and deserve so much credit. We started off the first half very slow and were under a lot of pressure from Brockington. They scored the first goal from a corner and kept pushing us back. We made some big changes in the second half, bringing on Josh S and Joshua S who really help to push our team forward. Our equaliser came from Henry D with some lovely footwork; he had a brilliant second half performance. Brockington caught us on the break to take the lead again, Jaiden W then played a beautiful pass to Jorge W who slotted the ball to make it 2-2 only 30 seconds after Brockington's goal. After our second goal we had all the possession and all the chances, but if you don't take your chances you will be punished, Brockington was given a penalty with only 3 minutes left and slotted home. We missed some fantastic opportunities to equalise again but unfortunately we couldn't score. Special mention to Theo E who was a great captain on the day, and Oskar B who had one of the best games any Year 8 has had in a long time.

TEAM: VILIAME C, JAIDEN W, JORGE W, THEO E, GEORGE G, NOAH K, LOGAN N, REECE P, JOSH S, HARRY C, JOSHUA S, ROBIN A, OSKAR B, HENRY

### **Parking and Safety on School Site**

Please be reminded that our school site welcomes parent and carer drop off in the morning between 8.15 and 8.35am – all students should be in school for 8.35am. It can get very busy in the mornings with the addition of bus drop off too. Please ensure that we work together to keep our community safe by not stopping for extended periods, indicating and keeping speed to a minimum. Please do not use the route through the middle of the car park to drop off resulting in students needing to cross through the carpark. Our school site remains closed for all apart from buses at the end of the school day to ensure our students can safely leave our site.

With the above in mind we have been notified by our close neighbours that the end of school becomes especially busy on local residential roads. I would like to take this opportunity to ask that we respect our local residents and do not block drives, paths and roads. Unfortunately, there have been issues the last few weeks where residents are unable to drive to their homes due to roads being completely blocked. We really appreciate your help and support in resolving this for our neighbours.

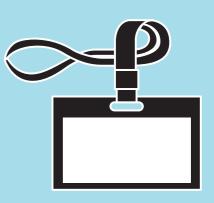

# **Student Reminder**

**Please remember to collect:**

- Today, 3.5 billion people live without a safe toilet.
- A "safe toilet" is
  - Not shared with other households
  - Clean
  - Empties the 'waste' or stores it so it can be emptied safely

- Connects to a sewer system
- Can be used without fear of someone attacking you. This is especially a risk for women and girls
- The SDG 6 goal is to ensure "availability and sustainable management of water and sanitation for all" by 2030.
