

It's nice & calm in here. Quiet - not like the zone. Keeps me calmer. You get to play uNO!

Somewhere to meet friend
Somewhere quiet
Somewhere you can go so you can eat before 2:00 pm

Calmer & more relaxed and it's quieter

The room is good because it is usually peaceful. I like making cars.

It's quieter than the zone

This room is for relaxing. It's different from the rest and you relax in the disco room.

It is special because I can meet friends & feel safe

Without this room I'd be friendless & it has a disco room so it's good!

What the Inclusion Room means to me

John Ferneley College

Safety

It's an inconspicuous place where it's easy to talk with friends with no intrusion.

This room is fun, relaxed and different. Not only do you get to eat but you get to play a variety of games. Teachers are here to look after you 24/7 so you can speak to them about any problems and they help.

I like this room because it's got lots you can play with

I like E2 because it's somewhere which where you look it's colourful and makes you happy! Also, it's somewhere I can meet with friends and have a good time.

It means that we're safe here.

I like E2 because it's quiet & I can talk to my friends and actually hear myself. There are more fun colours and I like the posters on the walls.
