## Creative Learning Services Library

On 26<sup>th</sup> November a group of Year 7 students went on a library trip. We visited the Creative Learning Services Library in Glenfield. The aim of the trip was to encourage a passion for reading for pleasure by introducing our students to a wealth of different genres of books, to broaden their horizons and to increase their confidence. They were tasked in finding and choosing a range of books to bring back to stock our school library. The staff at CLS welcomed our students and at the end of the visit said they had been delightful.

Here are a few of the comments from our students;

- I enjoyed it very much, seeing all of the books. I would come again, definitely. It was a very pleasant experience. It is like book heaven! I really enjoyed the trip and I really want to come again - Lily
- I would like to come back in the future - Oliver
- Super fun and lots of books to choose from!! - Katelyn

- This trip was the best trip I've ever been on as it was huge and amazing! - Mark

- I thought this was epic and I would recommend coming back in the future. My favourite book was Dog Man and my favourite bit was looking for all of the books.
