World Book Day Celebrations

Today a group of Year 7 students visited Waterstones Book Store in Nottingham. We had a tour of the four-storey shop, a talk about the World Book Day books and a wander around the magnificent display of all kinds of genres of books. Our students chose their free BD book or purchased another book at a discount.

Here are a few of the comments from our students:

- “The trip was great, there were lots of amazing books and I would definitely recommend this trip”.
- “I enjoyed looking at all the books and finding and choosing a really good book to bring home”.
- “I would give this trip 10/10, it was fun and I would like to go again”.
- “It was a really good trip and it was really educational and interesting”.

A member of staff from Waterstones came up to Mrs Newman and said how well our students had behaved and it was a pleasure to host them.

Well done Year 7's!
