

WEEKLY BULLETIN

 John Ferneley College

28th February 2025 - Issue 95

Dear Parents and Carers,

We are delighted to share with you the fantastic achievements from the last half-term. As a school, we continue to celebrate the hard work, dedication, and positive attitudes of our students.

Over the past few weeks, our students collectively earned an impressive 54,276 achievement points—a true reflection of their commitment to excellence in all aspects of school life.

In recognition of their accomplishments:

- 265 students have earned their Silver Award,
- 125 students have achieved the Gold Award, and
- 122 students have reached the Platinum Award.

We are incredibly proud of their achievements and the ongoing efforts they put into their learning and personal development.

Additionally, this half-term, our students and staff have been working closely with The Arts of Brilliance, a programme designed to enhance students' confidence and resilience. Through this collaboration, students have been supported in developing skills to navigate challenges, increase self-belief, and foster a growth mindset—essential attributes for both academic success and life beyond school.

As we continue to build on these successes, we remain committed to ensuring that our students grow not only academically but also personally, developing the key attributes that will set them up for future success.

Thank you for your ongoing support in encouraging and motivating your child. We look forward to the continued success and progress in the coming weeks.

Regards,

Mr Oshungbure
Assistant Headteacher
